For: POTASSIUM CHANNEL OPENER

L E T T E R

MS MISSING PARTS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

March 17, 2004

Sir:

Applicant wishes to advise the United States Patent and Trademark Office that a Reply to the Notice to File Corrected Application Papers was filed on February 11, 2004, submitting nine (9) sheets of formal drawings which were omitted in the filing of the nonprovisional application on September 17, 2003. Thus, the outstanding items requested in the subsequent Notice of Omitted Items(s) in a NonProvisional Application, mailed March 3, 2004, has already been fully satisfied.

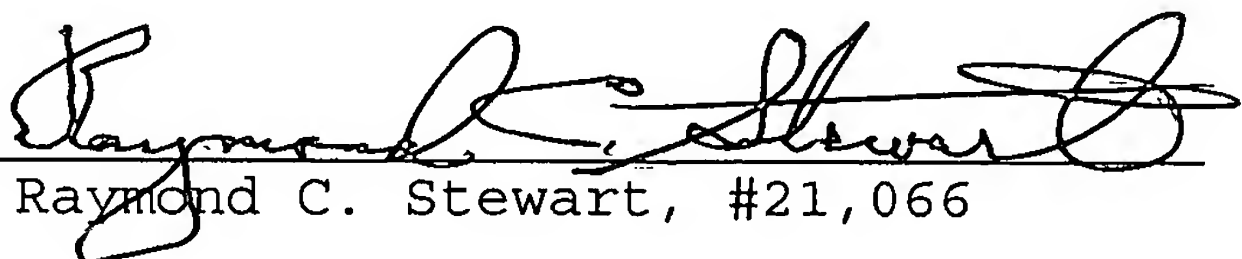

Thus, the filing requirements for submission of the omitted drawings were satisfied prior to the receipt of the Notice of Omitted Items(s) in a NonProvisional Application, a copy of which is attached hereto.

As evidence of Applicant's previous submission of the omitted nine (9) sheets of formal drawing in connection with the present application, Applicant encloses a copy of the postcard indicating receipt by the U.S. Patent and Trademark Office of the Reply to the Notice to File Corrected Application Papers submitted on February 11, 2004. Additionally, duplicate copies of the nine (9) sheets of drawings previously submitted are also enclosed herewith.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
